AFI Global Financial Inclusion Awards 2022

Since 2013, AFI has been annually honoring member institutions and individual policymakers for their contribution and engagement in the AFI network through the AFI Awards. The AFI Awards have been instrumental in enhancing member engagement, globally elevating members' efforts in advancing financial inclusion through policy innovations and reinforcing best practices through motivating other members to aspire for excellence and contribute to AFI.

This year, the **AFI Global Financial Inclusion Awards**, seek to recognize and celebrate achievements in three categories, two of which require members to nominate themselves and submit the relevant nomination form. These two are new high-level awards being launched in 2022.

- **The Nestor Espenilla Jr. Financial Inclusion Innovation Award** - This is a new High-Level AFI Award that seeks to honor the memory and legacy of Governor Nestor Espenilla Jr., a founding member of AFI and a global champion of innovation and inclusion. This prestigious Award aims to recognize AFI members that demonstrate outstanding commitment towards innovation and use of technology to advance financial inclusion.
- **The Global Youth Financial Inclusion Award** - This is a new High-Level AFI Award that seeks to acknowledge and recognize financial policymakers and regulators across the globe that are undertaking impactful initiatives, policies or regulations to accelerate financial inclusion of youth. It is open to AFI members and non-member financial sector regulators and policymakers from any country.
- **Peer Leadership Awards** - These will be awarded based on members' commitment and contribution to the AFI Network in the past year. Exceptional contributions in areas of Maya Declaration Commitment, Institutional Leadership towards the network and Technical Leadership towards the network will be recognized. No nominations are required as finalists and winners will be selected by the AFI Management Unit based on members' contributions to network activities over the past year.

Details about the Awards categories, eligible and assessment criteria and entry process are provided below. Winners will be announced during a special ceremony at the 2022 AFI Global Policy Forum in September in Jordan, which will be co-hosted by the Central Bank of Jordan.

Entries should be received through the Awards [website](#) before **23:59 Malaysia time (UTC +8 hours) on Thursday, 30 June 2022.**

For further information or queries, please contact AFI Management Unit at afiawards@afi-global.org. **Terms and Conditions** for entrants are provided in Annex 1.

1. The Nestor Espenilla Jr. Financial Inclusion Innovation Award

This High-Level Award seeks to honor the memory and legacy of Governor Nestor Espenilla Jr. who embodied the AFI spirit of innovation and inclusion. Governor Espenilla was a founding member and great advocate of AFI. He played an instrumental role in bringing AFI to life and developing it into the global policy leadership alliance it is today. He led his country's financial inclusion journey, championed innovative policies, and helped shape the global financial inclusion agenda with profound impact.

Through this Award, AFI honors Governor Espenilla's contributions to financial inclusion in his country and globally. By doing so, it seeks to inspire policymakers and regulators in the AFI network and beyond to think boldly and harness technology and innovation to accelerate progress towards inclusive and sustainable financial sectors in their countries.

Established in agreement with Bangko Sentral ng Filipinas (BSP), and funding support from Flourish Ventures, this Award will select one AFI member that has championed innovation and use of technology to advance financial inclusion and demonstrated leadership in sharing its experiences with peers.
